

## FINISHED PRODUCT SPECIFICATION

| PRODUCT NAME | GARCINIA CAMBOGIA EXTRACT 60.0% | SPEC:FPS/B01/1101-01       |
|--------------|---------------------------------|----------------------------|
|              |                                 | Effective Date: 03-04-2022 |

| Botanical/ Scientific name | Garcinia cambogia  | Plant part used    | Fruit peel |
|----------------------------|--------------------|--------------------|------------|
| Standardization            | Hydroxycitric acid | Production Method  | Drying     |
| Shelf Life                 | 3 years            | Extraction Solvent | Ethanol    |

| SL No  | Protocol             | Test Parameter                   | Test Limit                       |  |  |
|--------|----------------------|----------------------------------|----------------------------------|--|--|
|        | Physical             |                                  |                                  |  |  |
| 01     | Organoleptic         | Description                      | White to off white color* powder |  |  |
| 02     | TM/1101              | Identification                   | To Comply by HPLC                |  |  |
| 03     | USP                  | Solubility                       | Insoluble in water.              |  |  |
| 04     | USP <731>            | Loss on drying                   | Not more than 5.0%w/w            |  |  |
| 05     | USP <281>            | Ash content                      | Not more than 5.0%w/w            |  |  |
| 06     | USP <616>            | Untapped bulk density            | Between 0.30 to 0.60g/ml         |  |  |
| 07     | USP <616>            | Tapped bulk density              | Between 0.40 to 0.80g/ml         |  |  |
| 08     | USP <786>            | Particle size                    | 100% passing through 40 mesh     |  |  |
| Chemi  | cal                  |                                  |                                  |  |  |
| 09     | TM /1101             | Content of Hydroxycitric acid by | Not less than 60.0% w/w          |  |  |
|        |                      | HPLC                             |                                  |  |  |
| Heavy  | Metal                |                                  |                                  |  |  |
|        | USP <233>Procedure 1 | Lead                             | Not more than 1.0 ppm            |  |  |
| 10     | USP <233>Procedure 1 | Arsenic                          | Not more than 1.0 ppm            |  |  |
|        | USP <233>Procedure 1 | Cadmium                          | Not more than 0.5 ppm            |  |  |
|        | USP <233>Procedure 1 | Mercury                          | Not more than 0.1 ppm            |  |  |
| Microl | biological           |                                  |                                  |  |  |
|        | USP <2021>           | Total plate count                | Not more than 1000cfu/g          |  |  |
|        | USP <2021>           | Total yeast and mold count       | Not more than 100cfu/g           |  |  |
|        | USP <2022>           | Escherichia coli                 | Absent / 10g                     |  |  |
| 11     | USP <2022>           | Salmonella spp.                  | Absent / 10g                     |  |  |
|        | USP <2021>           | Coliforms                        | Absent / 10g                     |  |  |
|        | USP <2022>           | Staphylococcus aureus            | Absent / 10g                     |  |  |
|        | USP <62>             | Pseudomonas aeruginosa           | Absent / 10g                     |  |  |

## FINISHED PRODUCT SPECIFICATION

| ADDITIONAL INFORMATION |   |  |
|------------------------|---|--|
| Sanitizing treatment   | Non –irradiated and not treated with ETO  |  |
| GMO Status             | GMO free  |  |
| Standard Packing       | 25 Kg in single HDPE container.   |  |
| Certifications         | ISO 22000:2005, ISO 9001:2015, GMP, HALAL certified   |  |
| Storage condition      | Store in a cool and dry place away from sunlight and heat. The preferred storage is below $30^{\circ}$ C. |  |

<sup>\*</sup> The product is of herbal origin. There may be minor color difference because of the geographical and seasonal variations of the plant material.
